CUSTOM HEADWEAR PROGRAM

Be Original® and create the perfect custom hat specific to your school, team or booster club by adding originality through creative fabric & color combinations, unique embellishment options, and utilizing our custom add-ons.

Our Be Original® approach to creating custom headwear takes advantage of the foundation of our proprietary business model that is built around design flexibility at low minimums. Our Custom Program gives you full control of the design/customization process. In as few as six steps you can choose one of our popular styles, silhouette options, fabrics & color combinations, Embellishment Levels, add Custom Add-Ons and take advantage of our program's unmatched flexibility by the dozen to create the perfect hat in the industry's lowest minimums.

POPULAR LOOKS

Looking to Be Original® and stand out on and off the field? Our Team Sports Catalog features "Popular Looks" that show you trending silhouettes, fabrics and embellishment options for each product we have to offer.

Our product design team has taken the guess work out of "what's popular" and trending in the Team Sports market and have supplied you with an assortment of headwear options leaving just color choices and the ability to personalize your hat for your school or team up to you.

ADJUSTABLE, STRETCH-FIT OR ULTRA-FIT

Most of our "Popular Looks" can be ordered as an Adjustable, Stretch-Fit or Ultra-Fit Hat. To figure out the price difference simply subtract \$1.00 MSRP from a Stretch-Fit or Ultra-Fit price to make it Adjustable or add \$1.00 MSRP to the Adjustable price to make it a Stretch-Fit or Ultra-Fit Hat.

HOW TO ORDER

STEP ONE

Choose between a Stretch-Fit Hat, Adjustable Hat, Ultra-Fit Hat, Tradesman Hat, Bucket, Boonie, Shademaker, Visor or Cold Weather Knit.

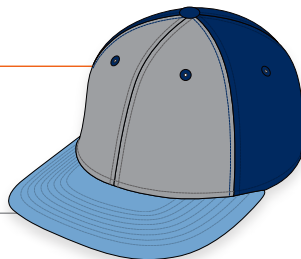

STEP TWO

Customize your style with it's own unique Silhouette Options (5-Panel or 6-Panel Crown, Structure, Visor & Closure).

STEP THREE

Choose between our numerous fabric options to find the right mix for your needs then pick out your team colors.

STEP FOUR

Each style has up to 6 Embellishment Levels to choose from featuring our Embroidery or Custom Applique options (see pages 39-41).

STEP FIVE

Customize your hat by adding Custom Add-Ons like Piping, Cut & Sews or Specialty Visor Stitching.

STEP SIX

Interchange fabrics, visor options and our FREE Contrast Color Options by the dozen to outfit your team, coaches and fans!

UNMATCHED FLEXIBILITY BY THE DOZEN

Our Custom Headwear Program let's you design one hat style (same silhouette and embellishments) and interchange FREE Contrast Color Options (panels, button, eyelets, stitching visor and undervisor), Fabrics, Closures and select Custom Add-Ons by the dozen to diversify your headwear order. This unmatched flexibility gives you the potential to outfit your school's team with hats for home & away games. Add additional fabric & color combinations to give your team a unique look during Specialty/ Promo Nights, a different look for your coaching staff or even a more fashion forward look for the fans in the stands.
