The Pukka® DIFFERENCE

We understand what it's like to want to stand out. Do things no one else is doing or has ever done. That's how we got our start, designing and delivering truly custom headwear at the lowest minimums in the industry.

QUICK PRODUCTION

UNMATCHED FLEXIBILITY

We coined the term "multiple looks within one order." Learn more about Pukka's unmatched flexibility by the dozen on page 2.

NO HIDDEN FEES

We pride ourselves on a lot of things and one of them is no hidden art or digitizing fees.

INDUSTRY'S LEADING CREATIVE TEAM

Our team of skilled graphic designers will work with you to bring your creation to life by producing detailed visual renderings and ultimately final artwork approval.

UNLIMITED STITCH COUNT

There is no limit on the stitch count when digitizing your golf club or resort logo regardless of its complexity.

SUPERIOR EMBROIDERY QUALITY

Flat panel embroidery techniques allow us to put your golf club or resort logo almost anywhere on the cap & execute the best-in-industry quality embroidery each and every time.

We Set the Standard in Fully Custom Headwear

Pukka's 100% Custom Headwear Program was born out of an understanding that the golf industry deserves access to the same custom manufacturing quality and design capabilities traditionally available to only large brands. Our unique supply chain solution includes a production process where the components of every hat are assembled and fully personalized as one process on one production line.

Further distinction includes: 30-Day Production; FREE Artwork Set-Up; FREE Digitizing; Unparalleled Embroidery Quality and Graphic Capabilities; Minimums as-low-as 24 per Style / 12 per Fabric and Color combination and the capacity for quick-turn orders. We've been setting the standard on highest customization at the lowest minimums for over a decade. Setting the standard is our standard.
